Let me tell you a little bit about myself: I am a hard worker, determined, and love to live a positive life. I completed a Full Stack Web Development (Python+React) Certification program at Bottega Coding School. I am a self trained IT Professional, with my CompTIA A+ certification and currently studying towards my CompTIA Network+ Certification. With over six years of tech related experience, I am capable of problem solving and self study, thus assisting in creating long lasting customer relationships and efficient offices; which is how I would exceed expectations at your company.
