Saratoga Springs, UT 84045

Let me tell you a little bit about myself: I am a hard worker, determined, and love to live a positive life. I completed a Full Stack Web Development (Python+React) Certification and graduating with an Associates in Computer Science from Bottega University and working towards a Bachelor's in Computer Science from Western Governor's University. I am a self trained IT Professional, with a previous CompTIA A+ certification. With over seven years of tech and software related experience, I am capable of problem solving, self study and quality work consistent with a growth mindset. This determination assists in delivering nothing less than a quality; which is how I would exceed expectations at your company.
